HEALTH QUALITY BC

Health Talks will take place during the Quality Forum on March 11, 2025, and is a Powered by PechaKucha event, which means speakers use images to inspire others.

PechaKucha is a style of presenting ideas, knowledge and passion in an easy and memorable way. This format is simple, visual and short: 20 images x 20 seconds. Don't miss your chance to take the stage alongside a diverse group of speakers and potentially inspire a change to BC's health care system! The winner will also receive one complimentary registration to Quality Forum 2025 (March 12 & 13). Your hope, or hopes, for health care can be anything. Outside the box. Based on experience or a vision for the future. Micro or macro. Your options are limitless.

How to Apply

It starts with thinking about this question: **What are your hopes for health care?** Once you have your idea in mind, tell us about it using any of the following formats:

- Video (max 3 1/2 minutes)
- Essay (max 300 words)
- Design concept, photo, poem... surprise us!

All students in BC – post-secondary, high school and elementary school – are welcome to apply. If selected as our winner, you will receive one-to-one support with your presentation from our awesome team at Health Quality BC.
