ABOUT EDUCATION INSIGHTS

Education Insights is a Power-BI analytics platform that provides school districts and school leaders with access to **nightly refreshed data** *directly* from **MyEducation BC**.

EDUCATION INSIGHTS ALLOWS SCHOOLS AND DISTRICTS TO:

- Monitor *trends*
- Make *evidence-based* decisions
- Plan *strategically*
- Target *interventions* for students
- Support *School Based Team meetings*
- Develop Individual *Educational Plans*
- Plan for *student transitions*
- Celebrate *successes*

AVAILABLE DASHBOARDS

Power-BI dashboards available:

- Enhanced Student Profile
- Attendance Analysis
- District/School Profile
- Detailed Student Profile
- Report Card Marks
- Cohort Analysis
- District Assessment

* UNDERLYING DATASETS REFRESH NIGHTLY

ENHANCED STUDENT PROFILE

The **Enhanced Student Profile** (ESP) **dashboard** offers both a ***student profile view*** and ***multiple cohort views***. The cohort views allow educators to track multiple students over time and identify trends by pulling data from previous years.

The **ESP dashboard** provides a **comprehensive look at key data sets**, including:

→ Demographics
→ Progress to graduation
→ Assessments
→ Daily and period attendance
→ Program enrollments
→ Literacy and math progress

CHANGE REQUESTS

Change requests will follow the **same process as requests for MyEducation BC**. The Service Management Council (SMC) governance structure will *review* and *prioritize*, and *plan approved enhancements into future development cycles.*

Send change requests to **MyEdbc@gov.bc.ca** using the ***MyEducation BC change request form***. Your district's SMC representative **MUST SIGN OFF** on **ALL CHANGE REQUESTS**.

HOW TO ACCESS EDUCATION INSIGHTS

- Your district's **L1** can *grant you access* to Education Insights
- If you are your district's L1, the **L1 Learning Station** has:
  - → An informational PDF on granting access to Education Insights
  - → An Excel file to support requesting multiple accesses at once

* PLEASE NOTE: ONLY DISTRICT AND SCHOOL-LEVEL DATA ACCESS IS AVAILABLE. CURRENTLY, THERE IS NO TEACHER /CLASSROOM–LEVEL ACCESS.
