BC Tripartite Education Agreement Learning Series: Joint Verification Process Webinars – Registration Reminder

Indigenous Services Canada (ISC), in collaboration with the First Nations Education Steering Committee (FNESC) and the Ministry of Education and Child Care, remind you to register for a webinar on the Joint Verification Process (JVP).

The JVP was introduced in the 2019-2020 school year as part of the implementation of the British Columbia Tripartite Education Agreement: Supporting First Nation Student Success (BCTEA). The JVP is an important process between First Nations and school districts that helps ensure Nominal Roll students are appropriately entered and accounted for and that funding is calculated accurately. This webinar will provide First Nations and school districts an opportunity to hear about information that can impact the JVP and ensure both First Nations and school districts have the same understanding of roles and responsibilities.
