The Class of 2026 – the first students in British Columbia to complete their entire K-12 education with Orange Shirt Day and Indian Residential School history integrated into their curriculum. History is being made, and these graduates are leaving the school system with empathy and knowledge of what happened in residential schools.

Sponsor a Graduate

Acknowledge & honour our graduates, uplifting them as leaders who carry the truth forward and help guide our shared journey toward healing. The Orange Shirt Society is working with school districts across British Columbia to bring student representatives from each graduating class to BC Place.

\$1500 - \$5000

Your sponsorship will help a 2026 Graduate and chaperone with transportation, accommodation and event tickets
